## DIRECTIONS: Have an adult help you with this Activity!

- 1) Measure two pieces of 17"x17" canvas type fabric. Have an adult help you cut and set aside. This will be your pillow base.
- 2) Measure one piece of 16"x16" light pink furry fabric, one piece of 11"x11" white furry fabric, and one piece of 7"x7" dark pink furry fabric.
- 3) Cut a 4"x4" square out of the center of each piece as indicated above. Trace around a piece of paper to use as a pattern. Set aside.
- 4) Have an adult help print and cut out the Love's True Kiss image from the following page, then iron it onto the center of the front side of the pillow base. Let cool.
- 5) Attach the furry pieces previously cut to the front side of the pillow base with a thread and needle aligning the center squares so the iron-on image shows through.
- 6) Fluff and display!
- 7) With the pillow pieces turned outside in, pin the front and back sides of the base together, then stitch around the edge and leave a small opening for stuffing. Remove pins.
- 8) Turn the pillow right side out and fill with stuffing, then finish stitching the small hole closed.
- 9) Fluff and display!
