EASTER EGG HOLDERS

Create your very own Porg Easter Egg holders from the templates below. Make one or two or make a whole flock!

WARNING! While porgs may be quite cute (in their own odd way), they are also hyper-curious little creatures known for hording shiny human objects and making mischief.

INSTRUCTIONS:

1. Print this page for two egg holders. Print page 2 for 4 more.
2. Carefully cutout and egg holder along the dotted lines.
3. Roll your cutout into a circular shape that fits your egg.
4. Use tape to secure your egg holder strip in place.
5. Repeat to make as many Porg Egg Holders as you wish.
