

ART AND
PROCESS

TAPE•NIQUE

Nurture the Artistic Dreamer in your child by introducing new creative techniques like this one.

ALL YOU NEED IS:

PAINT Bright colored, fast drying paint works best

PAINT BRUSHES A variety of thick and thin

WHITE SURFACE Canvas or canvas board

MASKING TAPE The easily removable kind

WORK SPACE Where you can get messy

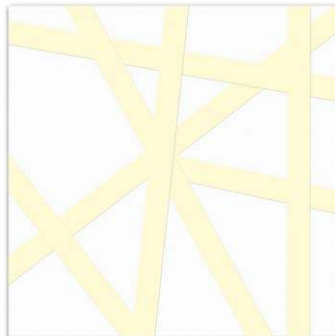

CREATIVITY Your playfully inspired mind

HERE'S HOW:

**BLANK
CANVAS**

**Prepare your
space**

Lay your blank canvas on a prepped workspace. Organize tape, scissors, paint brushes and paint for easy access.

**Apply tape
design**

Apply several, long pieces of tape to your canvas, to create your geometric design. Smooth tape down to remove gaps.

**Apply your
paint**

Fill every bit of canvas, showing between the tape lines, with different colors of paint. Experiment! Let Dry.

**Lift tape to
reveal!**
